

Instruction Manual

(This is a step-by-step guide on how to successfully vote using the E2E Secure Voting System)

1. Proceed to Step 1 (Voting stage) by clicking on the “Next” button.
(The board election interface and a summary of the steps to follow will be displayed)
2. Click on “Start” button.
(The candidates for the Board Chairperson position will be displayed)
3. Select your preferred candidate by clicking the "checkbox" beside their names.
4. Click on the “Next” button, to view the candidates for the Board Secretary’s position.
(To return to the Board Chairperson's interface, click the "Previous" button)
5. Select your preferred candidate for Board Secretary by clicking the "checkbox" beside their names.
- 6.
7. Click on the “Proceed” button.
Note: *You can review your ballot here, as well as confirm that your encrypted ballot contains your chosen candidates.*
8. Click on the “Submit this Vote” to submit your selected candidates to the server.

Note: *Before you click on the "Submit this Vote" button, you can audit your ballot to see if your chosen candidates were the ones that were encrypted by clicking on the "Spoil & Audit" button. Follow the steps provided to audit your ballot, but keep in mind that you will receive a new encryption and ballot tracker once the audit is completed.*
9. To complete your ballot cast you must authenticate yourself as a valid voter by entering your Voter ID and Password (Which is displayed in the Voter ID/Password form interface)
10. Click on the “authenticate & cast ballot” button to cast your ballot.

Note: This completes Step 1 (the voting part).
11. Click on the “Next” button to proceed to the next step (step 2)
12. Click on the “Next” button to view dummy election results.
Note: Here you can audit the ballots, verify election tally etc.
13. After you've reviewed the results, click the "Survey" button. Based on your interactions with the voting system, you will be presented with some questions to answer.
